

**Our
Team=Surya ,
Ritesh,
Krithick**

**Design
documentation-Team
Innovative**

**Our document
contains the
process,code,design
pic and
collaboration notes**

https://docs.google.com/document/d/1qG8X5_b1KXfQbikPaKiF9RLP6TSZy1_bkgvErlik3z8/edit

This is the link to the collaboration notes we have completed

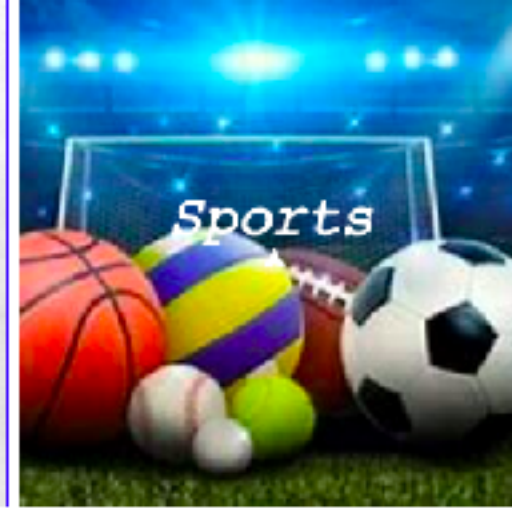

Our process was to:
1. decide the project
2. splitting the work evenly among our team
3. contacting teammates online everyday and starting our project
4. practicing our presentation roles

Our Process(continued)
5. completing and submitting our work on time

Temperature/Time

A screen shot
of our fathers
day design

our design is an
accommodating
application that
helps in a major
segment of our dads
life.

**This is us team
collaborating
online!**
